

Notice: Front Insulator Material Change – D*U Series

Due to the EOL of the front insulator material for the D*U connector, JAE has replaced it with the below material for the D*U series products indicated in the list enclosed.

Current Material	New Material	Manufacturer
NOVADURAN 5010GN6-30TM4	NOVADURAN 5010N6-30T	Mitsubishi Engineering Plastic, Inc.

*There is no change in performance, shape, color, SJ drawing or JACS.

Effective from June 2015

For any questions please contact your Account Representative.

Thank you.
