

PCN: V15-001-00475504-OA

Product Change Notice

Issue Date: 8 June 2015

Change Type:

Minor change.

Parts Affected:

HSDL-9100-021, HSDL-9100-024 and options.

Description and Extent of Change:

Remove laser marking on the product.

Reasons for Change:

Removal of redundant laser marking process.

Traceability of product is maintained through shipping barcode label. This is in line with the existing high volume sensor platform.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

The product specifications will remain the same.

Effective Date of Change:

New change will be implemented from date code D/C 1540 onwards.

The photos below show the exterior package of the current devices for current HSDL-9100 with laser marking and new HSDL-9100 without laser marking.

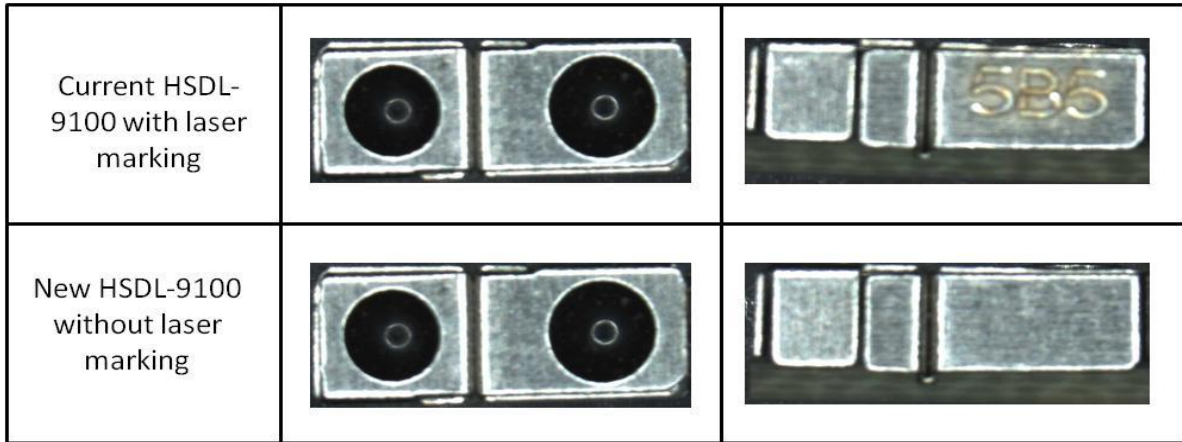

Figure 1: Comparison of the current HSDL-9100 with laser marking and new HSDL-9100 without laser marking.
