Notification Details Description of Change:								
Texas Instruments Incorporated is announcing an information only notification.								
The product datasheet(s) is being updated as summarized below.								
The following change history provides further details.								
TEXAS INSTRUMENTS TPS92830-Q1								
INSTRUMENTS TPS92830-Q1 SLIS178B - OCTOBER 2017 - REVISED JANUARY 2018								
Changes from Revision A (October 2017) to Revision B								
Changed timing specification for PWM duty cycle								
The datasheet number will be changing.								
Device Family			Change From:			Change To:		
TPS92830-Q1	TPS92830-Q1		SLIS178A			SLIS178B		
These changes may be reviewed at the datasheet links provided.								
http://www.ti.com/product/TPS92830-Q1								
Reason for Change:								
To accurately reflect device characteristics.								
Anticipated impact on Fit, Form, Function, Quality or Reliability (positive / negative):								
No anticipated impact. This is a specification change announcement only. There are no changes to the actual device.								
Changes to product identification resulting from this PCN:								
None.								
Product Affected:								
TPS92830QPWRQ1								

For questions regarding this notice, e-mails can be sent to the regional contacts shown below or your local Field Sales Representative.
