Subject: Obsolescence of KC Package

This letter is intended to notify you that, effective immediately, the KC package versions of the LTC6247 and LTC6256 are obsolete and replaced by the DC8 package versions of the same part. The footprints of these two packages are identical, but the KC package height is 0.55mm and the DC8 package height is 0.75mm. The parts are identical electrically. The full part numbers are as follows:

Obsolete Part Number	Replacement Part Number
LTC6247CKC#PBF	LTC6247CDC#PBF
LTC6247CKC#TRPBF	LTC6247CDC#TRPBF
LTC6247CKC#TRMPBF	LTC6247CDC#TRMPBF
LTC6247IKC#PBF	LTC6247IDC#PBF
LTC6247IKC#TRPBF	LTC6247IDC#TRPBF
LTC6247IKC#TRMPBF	LTC6247IDC#TRMPBF
LTC6256CKC#PBF	LTC6256CDC#PBF
LTC6256CKC#TRPBF	LTC6256CDC#TRPBF
LTC6256CKC#TRMPBF	LTC6256CDC#TRMPBF
LTC6256IKC#PBF	LTC6256IDC#PBF
LTC6256IKC#TRPBF	LTC6256IDC#TRPBF
LTC6256IKC#TRMPBF	LTC6256IDC#TRMPBF

The reason for this obsolescence is to standardize Linear Technology's manufacturing line to the 0.75mm package height for DFN package types.

Life Time Buy

For customers who would like to purchase the 0.55mm height KC package versions, we are offering a last time buy in accordance with the following schedule:

- Formal Announcement: 3/21/2016
- LTB Orders Accepted Starting: 3/21/2016
- Final Orders Accepted: 9/23/2016
- Final Shipments: 3/24/2017

If we can provide any additional design or technical assistance, please feel free to contact a Linear Technology representative at (408) 432-1900.

Sincerely,

Brian Black
